

Connect to RRCGuest Wi-Fi

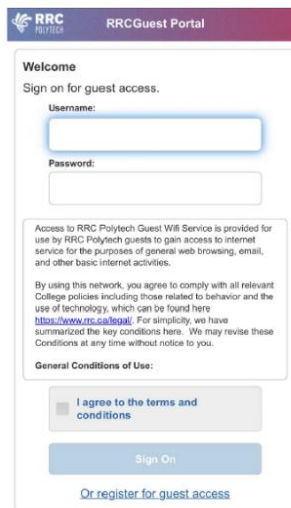

Follow the steps below to access the RRC Polytech guest wireless network.

1. Select the network

On your phone go to Wi-Fi settings and connect to the network named RRCGuest.

2. Register for Guest Access

At the bottom of the screen click **‘Or register for guest access’**.

The image shows a mobile web interface for the 'RRCGuest Portal'. At the top, there is a purple header with the RRC logo and the text 'RRCGuest Portal'. Below the header, the page is titled 'Welcome' and says 'Sign on for guest access.' There are two input fields: 'Username:' and 'Password:'. Below these fields, there is a block of text explaining the service and its terms of use. At the bottom, there is a checkbox labeled 'I agree to the terms and conditions' and a blue 'Sign On' button. A link 'Or register for guest access' is located at the very bottom of the form.

3. Enter your Cellphone Number

Enter your cellphone number in the provided field and click **“Register”**

Your login information will appear on the screen and will also be sent to you via text message.

4. Signing on

Click on **‘Sign on’** and enter your login credentials. You can use the same login to connect other devices like a laptop or tablet.
